

Hot Lunch Reminder

Hot Lunch slips are due Wednesday, Oct. 24th (tomorrow). Please get them in as timely as possible. If you have lost yours a copy is on the school website.

Subway Reminder

Subway slips for November are due by Tuesday, Oct. 30th. These **must** be in on time. Once the slips go to Subway they are there for the entire month and none can be added. Several people missed out on Subway last month and I felt very badly for them. If you realize on the due date that you have not handed yours in you may call me by 10pm or e-mail me by 10pm.

If you are ordering a Veggie Sub, it comes with all the veggies. (cukes, tomatoes, lettuce, onions, green peppers, etc.) It does not come with any hot peppers. If you would like all the veggies on your sub do not circle lettuce or tomato or pickles on the toppings list because Subway thinks these are the only veggies you would like.

Please do not combine Hot lunch payment or Subway payment or Pizza Payment. This is a book keeping problem and results in late slips in all three categories.

Thank you for participating in these programs. If you have any questions feel free to contact me.

Sincerely,
Tammy Sturm
