

Subway News

Subway will start this year on October 9th. The Subway shop that we use has changed ownership. The new owners seem happy to work with St. Joseph School this year.

The rules for Subway will be the same as last year. Subway slips must be handed in on time. We are working with an outside vendor and once the slips have been delivered to Subway we cannot add to them. If you find that it is the due date and you lost your slip or it came back in your child's backpack because they forgot to hand it in you will find the order forms on the school website and you may e-mail them to me no later than 10pm on the due date. If you do not have access to the internet you may call and place your order by 10pm of the due date.

Please make sure that you circle clearly on your order form. Subway cannot make a sandwich if they do not know what it is that you want. We do our best to weed these out and call to clarify the order. Sometimes we do miss these and it causes confusion and a missing sandwich on Subway day.

This year K-4th will be able to order a 4" sub and 5th-8th will be able to order a 6" sub. Please do not swap these order forms. This is something we negotiated with Subway because they do not usually make 4" Subs. (Subway no longer carries Kaiser rolls).

Subway no longer will have bologna. There have been several requests for pepperoni and Subway has agreed to provide this choice instead of Bologna. The new owners have requested that toppings not be added to what the choices already are. (in other words don't write in olives, green peppers etc).

If you have any questions feel free to contact me.

Sincerely,
