

POINTS, POINTS AND MORE POINTS!

Hello,

The initial point letters are going out in November. You will only receive a letter if you have satisfied the 50 point requirement. If you are partially done or don't have any points at all, you will get a letter in December....2 separate distribution dates.

So, if you have points, please get that information to me especially if you have them all. And, if you are just working on it steadily, please let me know as well.

There are many volunteer opportunities out there especially now....the SJS Auction is right around the corner, and I am sure the committee could use some help.

Just email me at cathy.roberge@fs.utc.com or call 860-284-3030 if you have any questions.

Thanks.

Cathy

The activity fee for St. Joseph School is \$250 per year. There are two options: pay the fee upfront or work it off by earning 50 points. You can work it off by volunteering your time at various fundraisers for the school such as Bingo, Auction, Wrapping Paper Sale and selling Script or volunteering in the school to help out with hot lunch, pizza, library or class monitor. You get one point for every hour worked or 5 points for every \$100 spent. This does not include money spent on script. The activity fee year goes from May to April 30th (of course new students will be prorated) and you will be billed in June for unearned points. You can find more information about activity fees in your Home and School Handbook.
